## **WALTHON ADVOKATER IS GROWING TOP LEGAL EXPERTS FROM MAQS JOIN**

Partners Patrik Essehorn, Maria Norrman, Jürgen Conzen and Clarissa Fröberg from MAQS will join Walthon Advokater by the end of the year, together with associates Michelle Cargioli, Erika Samuelsson och Rebecca Fallberg. Thereby Walthon reinforces its offer within international M&A, capital markets, real estate transactions, financing and corporate law.

Mats Willman, Managing Partner at Walthon Advokater:

- I am very happy to finally be able to announce this. Maria and Clarissa have been responsible for the M&A section at MAQS, Patrik for Capital Markets and Jürgen for their German Desk. Through these recruitments we create a "dream team" within real estate transactions, international M&A and capital markets.
- We see these recruitments as a confirmation that Walthon already is an attractive alternative and that our model for advocacy is exciting, fair and sustainable. Walthon will continue to hire associates during this fall.

Walthon Advokater started its operations in May 2018 when partners Jonas Jonsson, Madeleine Sifvert, Mats Willman, Michael Cohen, Niklas Haak, Sten Sjöstedt, Urban Hjelm and Ulf Stigare left Advokatfirman NOVA, together with their co-workers.

Walthon offers high-quality business and commercial law advisory services, with focus on dispute resolution, construction, mergers and acquisitions, insolvency and reconstruction, commercial contracts, real estate as well as public procurement. This week Walthon will move into their newly renovated offices at Stureplan 4A.
